Every Garment Tells a Story

Green 3 garments are more than just cloth that is cut and sewn. Each garment represents a vision, a mission, a change, a skill applied, or an opportunity for independence. Truly, if you could look inside and listen, every garment tells a story. At Green 3, we are proud of what we do, and who we do it with.

Call us, email us, stop by and say hi (even if it's just to meet Bella, our canine fashion consultant).

We want to share our stories with you, and have you share them as well.

Thank you and we hope you enjoy.

Remember, every garment tells a story.
