Made Smart-In America

Green 3 was built upon a sincere passion for being environmentally and socially responsible, and a commitment to producing our products in the U.S.A.

Green 3 products utilize organic or recycled cotton, and environmentally friendly inks and dyes.

Every single Green 3 product comes directly from the hearts, minds and hands of workers in the U.S.A.
We think that's a smarter way to do business, and we hope you do too!

We would love to hear from you! Tell us how you are being "smart-in" your daily life. We will share your story with the Green 3 community, encouraging all of us to be even more "smart-in" everything we do!

Send your ideas to Sandy Martin, at smart-in@green3apparel.com
